## ***More details about the show...***

Please direct room orders to:

**Novotel Karlsruhe City** (directly opposite the Schwarzwaldhalle), Festplatz 2, 76137 Karlsruhe.

Phone: (+49) 721 3526 100, E-mail: H5400@accor.com, Prices depend on the day of booking. As always: The earlier you book your room independently, the better the price. (no contingent guarantee!)

**Rings:** Birds with the exhibitor's own rings are permitted; these must be closed and undamaged. Additional colour rings are not permitted. They are regarded as unauthorized marking and lead to the disqualification of the bird. The AZ accepts no liability for loss or damage during transport or the duration of the show. The "General Show Guidelines of AZ", as well as in the "AZ-DWV Show Guidelines" apply! Further information can be found at: ([http://www.azvogelzucht.de/content/sonstige\\_regelwerke.html](http://www.azvogelzucht.de/content/sonstige_regelwerke.html))

### **Attention! Manipulation at the ring resp. at the bird:**

If a ring manipulation is detected, all birds of the exhibitor will be disqualified and he will be banned for an indefinite period for AZ-shows. If a manipulation of the bird is detected, all birds of the exhibitor will be disqualified and a ban imposed until 31. 12. of the following year. (See: "General Show Guidelines of AZ") Manipulation of the bird/ring by non-members leads to the exclusion of all birds of the exhibitor. For veterinary reasons, the breeder number on the registration form must match the breeder number on the bird's ring. This is especially important for members of more than one club/association. If the breeder number given on the application form does not match the breeder number on the ring, the bird will be disqualified.

**Budgerigars:** separated into showbudgerigars and colourbudgerigars, can be exhibited as single birds, pairs and collections, each divided into adult-/youngbird and in case of the single birds additionally into cock and hen. For the first time all exhibitors will exhibit in only one group, the "Champions" (CH).

Only the generally known English show cages are permitted. Food (approx. 3 cm) must be available on the bottom of the cage. (See: <https://www.azvogelzucht.de/content/downloads/regelwerke/AZ-DWV-Schauordnung-2019.pdf>) All budgerigars are to be supplied with drinking water by the exhibitor upon delivery! Short white snack-bowls or all drinking tubes (max. 70ml) are permitted and must be securely fastened to the cage by the exhibitor.

### **Registration and participation fees:**

The advance registration is very simple.

**The participation fee (3.00 € per cage plus obligatory catalogue of 6.00 €) has to be paid with the advance registration to the DWV-Chairman** (see address below) no later than on the last day of the registration deadline. Please send a message (E-mail or by post) with your name (address) and only the number of the Show- or/and Colour-Budgerigars you want to exhibit to the DWV-Chairman by this date. A completed registration form (with all information about variety, sex and year of the exhibited birds) is not required until the day of delivery! We can help foreign exhibitors to select the right show classes on site at the delivery.

An international registration form you could find at <https://www.azvogelzucht.de/content/formulare.html>

**Bird market:** is held in connection with the show. The same conditions apply as at the AZ-National show in Kassel - there is no advance registration of birds for sale.
